 If you have a special concern regarding the menu, contact the Nutritionist at 413-582-9301 for guidance on managing your intake to meet your dietary requirements.

February

Stay Food-Safe This Season

1. Did you know that during a power outage your refrigerator keeps food safe for 4 hours?

2. If a Winter Storm knocks out your power for than 4 hours, discard refrigerated perishable food such as meat, poultry, fish, eggs & leftovers.

3. During a snowstorm, do not put place perishable food out in the snow. Outside temperatures can vary; food can be exposed to unsanitary conditions & animals.

4. If the power goes out, use perishable foods and foods from the refrigerator first, then use the foods from the freezer, use the canned and shelf stable foods last.

5. After a flood, don't eat foods that may have touched flood water. Throw out food in non-waterproof containers, cardboard boxes, and damaged cans.

Frozen Food
WHEN TO SAVE AND WHEN TO THROW IT OUT

FOOD	Still contains ice crystals and feels as cold as if refrigerated	Thawed Held above 40 °F for over 2 hours
MEAT, POULTRY, SEAFOOD		
Beef, veal, lamb, pork, and ground meats	Refreeze	Discard
